

# WHITE ISLAND PRIVATE ISLAND - CARRIACOU, GRENADA

The Grenadines Collection are pleased to present the opportunity to acquire one of the world's most superb and exclusive locations.

**10 ACRES**  
**\$ 4,500,000 USD**

There is now permission for development on White Island, and this has the potential to be the most exquisite of Grenadine private island resorts in the company of Mustique, Palm Island and Canouan.

Alternatively, White Island has the potential for a fabulous home, a blissful haven away from busy city life. Experienced sailors rank White Island as the best Island destination in the Grenadines, and it is easy to see why.

## The Perfect Caribbean Location. . .

White Island, named for the dazzling coral sand on its beautiful beaches, is an immaculate 10 acre Grenadine Island in an ideal location. White Island is a mere 1 mile off the Southern Tip of Carriacou in the Grenadines, 35 miles South of Mustique and 20 miles from Grenada.

From this island you are also in an exceptional position to visit many other spots in the Southern Grenadines including Union Island, Mayreau, and the breathtaking Tobago Cays – a place that is world renowned for its beauty.

10 ACRES - \$4,500,000 USD**

**Planning Permission:**

White Island has planning permission for an eco friendly villa, or an eco friendly private boutique spa hotel. The island is sheltered by other islands and coral reefs ranging in depth from 8 feet to 40 feet. Materials and supplies can easily be landed by boat.

**Land Topography:**

White Island has a unique, stunning shape, with a small mountain at one end. The beaches are fantastic, and the whole island is completely untouched, meaning that a prospective buyer has endless possibilities to develop the area. Three sides of the island have sandy white beaches, and there are beautiful coral reefs to explore around the area as a whole...

White Island enjoys over 3000ft of coral sand beaches, unbelievable world class diving and snorkeling, fringing reefs, with an untouched island ecology and marine environment...

**Breath taking views:**

White Island boasts panoramic views which are absolutely stunning and also emphasise how White Island is in a perfect location within the Southern Grenadines. From this location you can see Saline Island, Carriacou, and Grenada among others. The small airstrip on Carriacou is 2 miles from the Marina and sailing in the Grenadines is among the finest in the world. White island can be reached by sail or powerboat. This easy accessibility is matched with the wonderful sense of privacy that White Island enjoys.
